## GIVE YOUR COMMUNITY A VOICE

## CALIFORNIA ASSOCIATION OF MENTAL HEALTH PEER RUN ORGANIZATIONS (CAMHPRO)

---

## Our Purpose

The purpose of CAMHPRO is to promote the work and mission of peer run organizations devoted to advocacy and empowerment of mental health consumers on a local, regional and state level.

## Our Story

CAMHPRO was incorporated March 2012 to create a sustainable network across the state that is grounded in the history of the consumer movement and the strength of local consumer run agencies and programs. In April, 2014 CAMHPRO became a consumer-run 501 (c)3 non-profit organization.

## Commitment to Diversity

Diversity is an essential value of ours, demonstrated in our well-represented constituent organizations which operate in the most diverse communities in the state.

## Our Goals

CAMHPRO's goal is to champion the work of peer run programs around the state of California and to promote the following:

- The involvement of consumers at all levels of planning, policy and programming for behavioral health and related systems
- Advocacy efforts which eliminate stigma and promote social inclusion
- Protect the rights of consumers with an emphasis on choice and self-determination
- Consumer employment at all levels of the behavioral health system
- Training and education - technical assistance for the development and growth of peer-run organizations and programs
- Leadership and empowerment training for groups and individuals
